A shipment of \$100 certificates will be and not mas the rabbits much either. Where made to New York to-morrow, to be used prin cipally for the purchase of bullion.

The Western Emigrant Society (colored) bute adopted a memorial to Congress asking an appropriation for transport, outfit, seeds, etc., for regate to the West, to cover expenses for a them to put up one million two-pound case or two. DESCRIPTION THE

The bill to alter and amend the laws relative to the filing of reports of the Pacific Rairroad companies and for other purposes, introduced in the Secute yesterday by Thurman, repeals section 20 of the Pacific Railroad set of June 25. S6S, and establishes the office of Auditor of Pacific Bailrouds, as one of the bureaus of the marior Department with a book-keeper, assisant book-keeper, clerk and copplet. The bill provides that the Auditor shall prescribe a eyetem of accounts, and that any Pacific Railroad tompany, having received aid from the government, that neglects or refuses to turnish accounts required by the Aphillor shall forfeit for each offices \$5,000, and a continuance for six months or more of such neglect or refusal shall work the forfesture of all rights and privileges granted the

company by the United States. M. Lape Chattens, delegate from Prance to secure the co-operation of American merchants in the plan for a Prance-American Congress, to meet in Paris the coming sammer, for the purpose of fixing a basis for a Franco-American creaty of commerce and effecting if possible, a modification of the tariff on interchanging com-modities, addressed a large number of members

of the Merchants Enthuge yesterday afternoon.
General Terry forwards General Sheridan a
dispatch from Colonel Miles at Fort Keogh,
dated April 25th, which says Lieutenant Baidwin, while at Fort Peck for supplies, received an angent request from the Indian agent at Puglar creek that he visit that place. While there a small party of hostile Indians surrendered to him the market. and the agent. Others are reported so route to

The Vermont Advertiser learns from a reliable source that the Fernan Brotherhood in that section is getting into working order, in view of the possibility of war between England and

There was considerable excitement among the Female of Syracuse, New York, recently, caused by the arrival of Colonel Mulligra, one of the ending officers under General O'Neill, commanding the Fennia forces in the United States. Colonel Mulligan came from Buffalo, and is traveling through the country for the purpose of ascertaining the condition of the various Ferial regulations, and cotaining as for as possible the opinion of the Irish people. He states that in the event of a raid apon Chanda fully 160,000 men, well drilled and armed with breech loading rides, could be relied upon to march on Canada

at thirty hours notice. At a meeting of the Society of California Pioteers on Monday exeding, Robert A Ganey and Augustus Indicis were elected members. The dentite of Jacob B. Soyder, George H. Howard, Julius Wetzler and William S. O'Brien were reported. The Secretary reported the receipts for April \$891.50; distincted for April \$891.50; distincted for April \$802 to the or the countries are the countries. just account of Plouvers and Lick Vrest in Clay Street Bank, \$2,000. Her. Albert Williams, who is engaged in writing a work on the conquest and acquisition of California, was invited to deliver a lecture on this subject at such time
